

IN RECOGNITION OF JOHN GOLDSTEIN, OUTGOING PRESIDENT OF THE MILWAUKEE COUNTY LABOR COUNCIL

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Ms. MOORE of Wisconsin. Mr. Speaker, I rise today to pay tribute to my constituent, Mr. John Goldstein, in thanks for his distinguished record of leadership of Milwaukee's labor movement. John served as president of the Milwaukee County Labor Council for 8 years, capping off a career of local, national and international labor activism that included stints as secretary/treasurer of the Labor Council and president of the Amalgamated Transit Union. He left the Labor Council in September, 2005, to become the new executive director of Partnership for Working Families.

John's leadership and commitment to advancing workers' causes are well known. In his tenure as president of the Labor Council, he spearheaded several major campaigns, among them brokering a resolution with Milwaukee County that improved the climate for workers attempting to organize new unions. He also worked with Milwaukee's Common Council to pass legislation that ensures uniforms needed for city workers are not sweatshop-produced. More recently, John developed a coalition to advocate for the implementation of economic development policies that would benefit a wide array of workers and neighborhoods.

Throughout these efforts, and many others, John's leadership has been marked by a commitment to building broad coalitions to ensure that labor movement victories brought gains for the wider community. He is widely acknowledged as a pioneer in developing labor-community partnerships designed to address problems created by economic and racial disparities throughout the Milwaukee area. His colleagues included faith leaders, a variety of local union activists, and community organizations.

In his role as Labor Council president and through his career, John has prioritized labor organizing, mobilizing for economic justice, and building a strong member-to-member political organization for the benefit of the working people of Milwaukee County. I know he will continue to demonstrate exemplary leadership in his new position as national program director for the Partnership for Working Families. I am thrilled to know that he will be based in Milwaukee, and that while providing technical assistance and leadership to labor-community coalitions across the country, he will continue to enrich our community.

3RD ANNUAL LATINO AIDS AWARENESS DAY

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Mr. ORTIZ. Mr. Speaker, today, I rise in strong support of designating October 15, 2005 the 3rd Annual Latino AIDS Awareness Day.

HIV and AIDS have wrecked havoc on millions of lives across the globe for over two decades, ending lives before their time. Today in America, over a million Americans, or about 1 in 300, have HIV or AIDS—a statistic that this Congress must acknowledge. For every American living with HIV or AIDS, a family is traumatized.

Even more staggering is the distribution of those victims. While Hispanics are roughly 14 percent of the population of the United States, they account for 20 percent of America's HIV/AIDS population. To date, nearly 100,000 Hispanics have died with AIDS. Since Hispanics are the fastest growing minority group in the United States, our challenge is even greater.

Minority groups have been hardest hit by the disease, adding another burden on families struggling to make ends meet. Another troubling fact is that as many as 1 in 2 people with HIV/AIDS don't even know they have the disease.

And the fastest growing group of people contracting HIV is young people, putting a tenuous hold on their young lives and future. The more attention we place on HIV/AIDS, the closer we get to eradicating this vicious disease. We have to talk about it, the causes and the prevention.

I encourage all of my colleagues to support Latino AIDS Awareness Day and work to educate Hispanics and other constituents about HIV and AIDS. Education and facts are the best way to wipe out ignorance about HIV/AIDS in the Hispanic populations, and every other demographic in our Nation.

CONGRATULATING UNITED FUND ON 50TH ANNIVERSARY

HON. MELISSA A. HART

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Ms. HART. Mr. Speaker, I would like to take this opportunity to congratulate the United Fund on the 50th anniversary of its founding.

This fall, the organization celebrates the 50th year of its foundation in 1955. The United Fund has helped many people in the community over the years, and is continuing to do so by hosting an auction themed "Support the Troops". The event is a project by Lincoln High School senior Erin Hunter. The event commences the organization's 2005 campaign.

Over the years United Fund has subsidized transportation cost for community members to get to work. Last year the organization also donated money to Hurricane Ivan flood victims in September.

The fundraising goal for 2005 is \$50,000, which gives the organization the ability to make a positive impact. Richard Basile Sr., director of the organization, leads the effort to give 98 percent of the money that is donated to the United Fund back to the community. Basile is also dedicated to the goal of the United Fund, which is to make a positive impact locally.

I ask my colleagues in the United States House of Representatives to join me in honoring the United Fund and its 50 years of service. It is an honor to represent the Fourth Congressional District of Pennsylvania and a pleasure to salute a principled institution like the United Fund.

HON. MICHAEL C. BURGESS

Thursday, October 6, 2005

Mr. BURGESS. Mr. Speaker, I rise today to remember Barry Evans Boesch, the 51-year-old executive editor of the Denton Record-Chronicle, and longtime reporter and editor of the Dallas Morning News.

Barry was born December 5, 1953. He was a graduate of Thomas Jefferson High School in Dallas and the University of Texas in Austin. In 1976, Barry began his newspaper career at the Corpus Christi Caller-Times. Most of his nearly 30-year career was spent with the Dallas Morning News.

In March, Barry was diagnosed with a brain tumor but he continued to work until the summer, when radiation and chemotherapy treatments began taking their toll. He passed away 2005 at Baylor University Medical Center with his wife by his side.

Barry will be remembered for his three passions in life—his wife, Pattie; his daughter, Bailey; and the newspaper business. He will also be remembered for his sense of humor and his love of verbal combat.

Today, I would like to recognize and celebrate Barry Boesch's life. I was honored to have known him over the years. His leadership and charisma will certainly be missed by our hometown paper. Please keep his wife and daughter in your thoughts and prayers.
